To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my

work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

I respectfully request a copy of all emails sent by EPA, Region 8 employees and management staff, that pertains to "bathroom behavior". On June 25, 2014, Government Executive wrote the follow at <http://www.govexec.com/federal-news/fedblog/2014/06/epa-employees-told-stop-pooing-hallway/87223/>

It appears, however, that a regional office has reached a new low: Management for Region 8 in Denver, Colo., wrote an email earlier this year to all staff in the area pleading with them to stop inappropriate bathroom behavior, including defecating in the hallway.

Please include all documents, electronic or otherwise, that pertain to the above. This would include, but not be limited to, the referenced email, other email responses and announcements, memos, letters, inter-agency communications, investigations, etc.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.
